## **PROPOSED AMENDMENTS OF THE ARTICLES OF ASSOCIATION**

### **PROPOSED AMENDMENTS OF THE ARTICLES OF ASSOCIATION**

The scope of business of the Company shall be adjusted in accordance with its actual business condition. The Board proposes the amendments of the Articles of Association to enable the scope of business to meet the requirements of the Company's business. The proposed amendments of the Articles of Association are subject to approval by way of a special resolution regarding such amendments at EGM.

#### **GENERAL**

An EGM will be convened to consider and, if thought fit, the approval of the proposed amendments of the Articles of Association. A circular containing, among others, details of the proposed amendments of the Articles of Association together with a notice of the EGM will be despatched to the Shareholders as soon as practicable.

### **PROPOSED AMENDMENTS OF THE ARTICLES OF ASSOCIATION**

The scope of business of the Company shall be adjusted in accordance with its actual business condition. The Board proposes the amendments of the Articles of Association to enable the scope of business to meet the requirements of the Company's business. Accordingly, the contents of the Articles of Association are amended as follows:

#### **Original Article 10:**

“The scope of business of the Company shall be in accordance with the approval issued by the registration authority of the Company. The scope of business of the Company includes the following:

To provide information services; e-commerce services; technical development, consultancy, services and training with respect to network interconnection, computer equipment and software, as well as communication software and hardware products; information and network system integration and proxy services; sales of computers and peripheral equipment; directly trading in or acting as consignee in importation and exportation of goods and technologies

\* For identification purposes only

(except those restricted by the State or prohibited for import and export); internet based agent services for purchasing medicine, equipment and other consumables used in hospitals (license required); agency services for tendering of medicine; medical information consultancy services; and engaging in construction engineering.”

### **Proposed Amendment:**

“The scope of business of the Company shall be in accordance with the approval issued by the registration authority of the Company. The scope of business of the Company includes the following:

To provide information resources services; e-commerce services; technical development, consultancy, services and training with respect to network interconnection, computer equipment, software and hardware products as well as communication software and hardware products; information and network system integration and proxy services; sales of computers and peripheral equipment; directly trading in or acting as consignee in importation and exportation of goods and technologies (except those restricted by the State or prohibited for import and export); professional contracting.”

### **DEFINITIONS**
